PUBLIC FORUM
DEBATE LEAGUE

In partnership with the
National Speech & Debate Association

JOIN THE DEBATE TEAM!

"Public Forum Debate is a huge part of the person that I am today. It made me a better critical thinker, researcher, and analyst. It gave me the tools to deeply think about policies that affect my community and those around me."

- **Cornelia Fraser, PF Debate NSDA National Champion**

All Experience Levels Welcome

The Collegiate Public Forum Debate League is open to students of all experience levels and backgrounds - no debate experience required!

Discuss Issues That Matter

Debaters have the opportunity to discuss issues and policies that are important to them and their communities, from economics to climate change!

Debate Against Students All Over The Country

Those who compete in the CPFL will debate against other students from across the country, including the most prestigious universities!
